

Making the Leap... Homes to Commercial

A Joint Event with
Greater Los Angeles REALTORS®

February 26, 2026
10:00 AM - 11:00 AM

6017 Bristol Parkway, Culver City, CA 90230

Join us for an Introduction to Commercial Real Estate, where you'll discover the essentials of the CCIM (Certified Commercial Investment Member) designation, including its data-driven approach to guiding client decisions through financial and market analysis. Learn why pursuing the CCIM designee status is valuable. The session will compare the commercial real estate market to residential, highlighting differences in scale, value, and processes. A real-world case study using exclusive tools for CCIM designees will show how CCIM tools help their clients make more informed decisions on their commercial investments.
