Hearth & Hope Day

Create homes for 6 families

Help Families Rebuild a Sense of Home

Following the recent devastating LA wildfires, **A Sense of Home's Disaster Relief Program** stepped in to support families who lost everything. CCIM members can make a direct impact by joining us for a volunteer day at their warehouse, helping select, stage, and prepare essential home furnishings for families working to rebuild their lives. This is a unique opportunity to help bring stability and hope back to our neighbors in crisis.

Shift 1: 10am-12:30
Shift 2: 1-3:30pm

Lunch provided for both shifts 12:30-1pm

~15 volunteers needed for each shift
