October 17, 2025
1PM - 5PM

Porsche Experience Center
19800 Main St, Carson, CA 90745

Speaker: David Waite

David Waite advises public and private clients on complex real estate transactions and development projects, with expertise in land use, environmental law, and regulatory compliance, including CEQA. His work spans a wide range of projects, from housing and mixed-use developments to hospitals, resorts, and Brownfields redevelopment.

Speaker: Anthony C. Ward, PG

Anthony Ward is a California Professional Geologist with more than 40 years in environmental and water-supply projects. He has led high-stakes soil and groundwater cleanups, Brownfield redevelopments, and large groundwater-resource programs, frequently negotiating complex regulatory agreements statewide. A co-founder and Director Emeritus of the Groundwater Resources Association of California, Tony brings deep hydrogeologic expertise and a proven record of guiding landmark remediation and redevelopment efforts.
